

## Corepla

is a unique example in Europe where the plastics industry has taken a full responsibility of collecting and recycling plastics packaging for Italy as EPR scheme

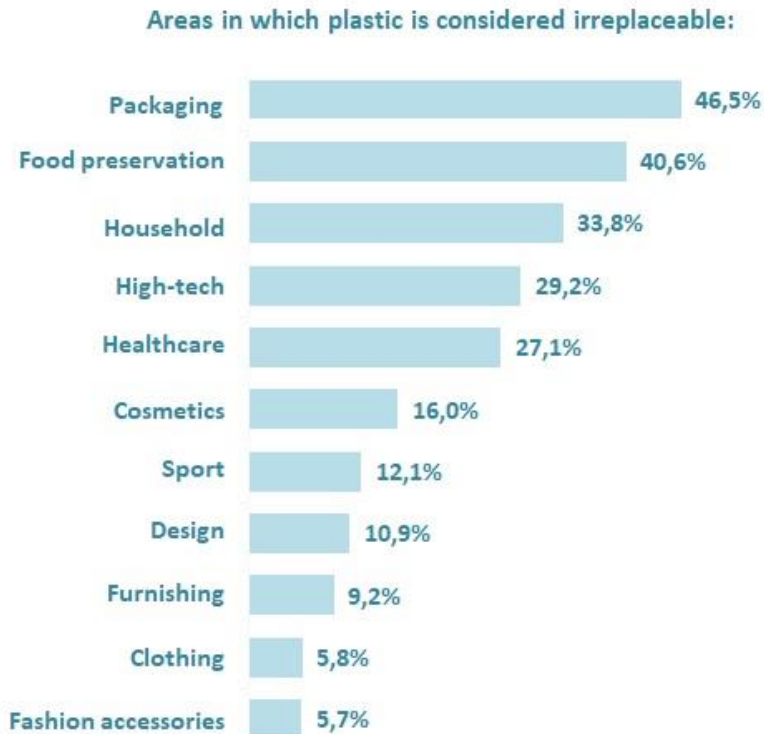

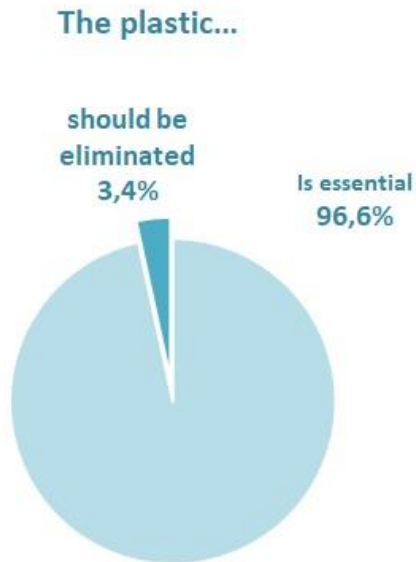

**Antonello Ciotti**

President COREPLA – National Consortium for the Collection and Recycling of Plastic packages

# The conscious pragmatism of the Italians

## Phenomenology wins on ideology

# Corepla... triple AAA

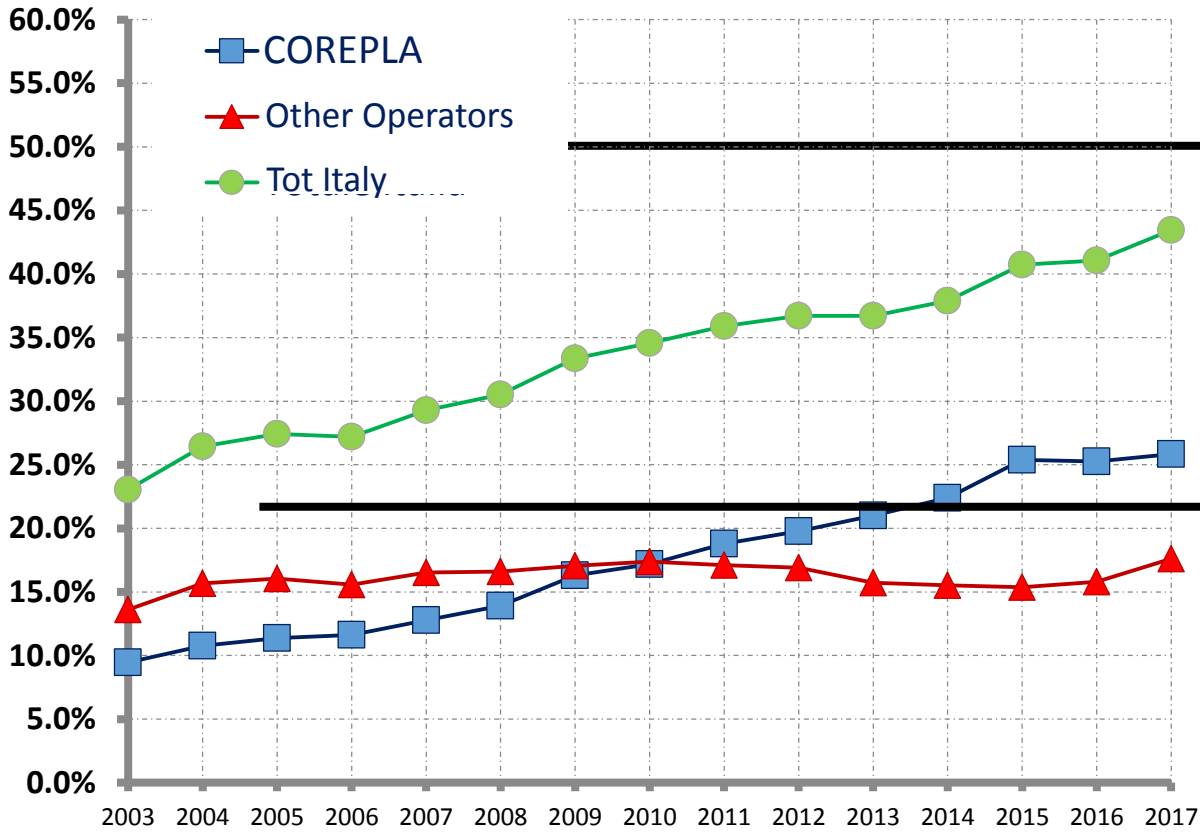

All plastics  
All around  
All the time

**No cherry picking!**

# The Recycling of Plastic Packaging in Italy (%)

Target UE: 50%  
(by 2025)

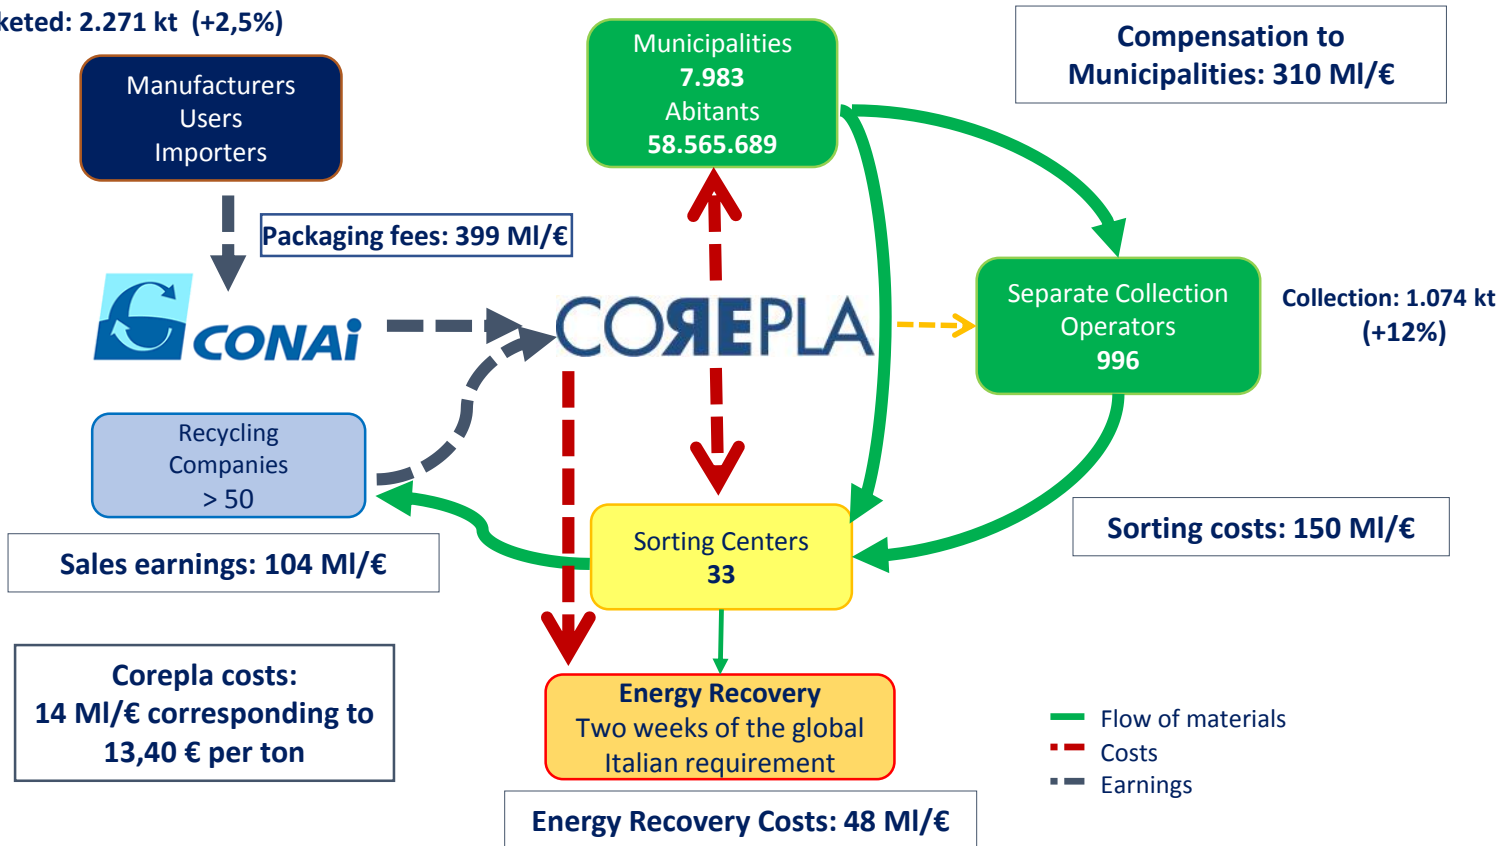

**43,5%**  
Total  
Recycling  
Italy

Target UE: 22,5%  
(current)

# The CONAI-Corepla system

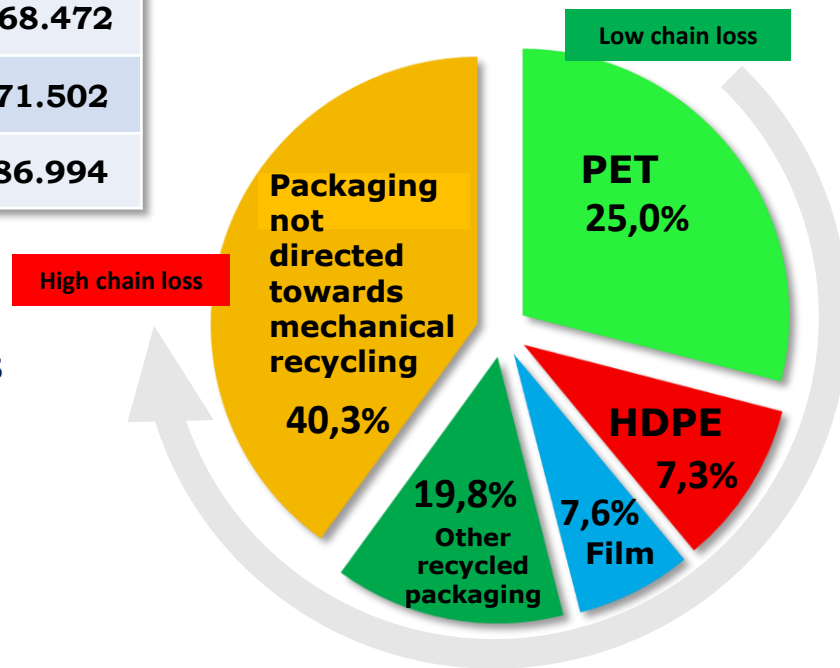

Marketed: 2.271 kt (+2,5%)

# Recycling by polymer 2017 (ton &%)

RECYCLE FROM SEPARATE COLLECTION	562.224
PET containers	235.257
HDPE containers	68.472
Film	71.502
Other packaging	186.994

Through new R&D projects, Corepla aims to reduce by **40%** the amount of plastic packaging waste not directed towards mechanical recycling by 2020

# Corepla sponsoring R&D projects

On March 23<sup>rd</sup> Corepla launched the first “Giornate della ricerca” defining its role as catalyst to new projects in plastic recycling.

## The main directions are:

- ✓ Ecodesign and mechanical recycling
- ✓ Depolimerization
- ✓ Focus on plasmix

# Conclusion

**Corepla**  
is ready to support the  
packaging value chain to  
reach the challenging  
targets set by the Circular  
Economy Directive

## 9th CEWEP Waste-to-Energy Congress 2018
