

Internship in CEWEP – Confederation of European Waste-to-Energy Plants

Starting date: Mid-September – October 2025

Duration: 5-6 months

Location: Brussels, CEWEP office, Avenue de Tervueren 113

CEWEP (Confederation of European Waste-to-Energy Plants) is the European umbrella association of the operators of Waste-to-Energy plants (incineration of residual waste with energy recovery), representing about 400 plants from 24 countries. CEWEP focuses on contributing to European environmental and energy policy that can affect Waste-to-Energy Plants. More information on www.cewep.eu.

Key responsibilities include*:

- Monitoring policy developments regarding Waste-to-Energy, waste management, chemicals, energy and climate protection;
- Assisting in making calculations, technical assessments and summaries of scientific papers;
- Assisting in drafting communication material for CEWEP website, LinkedIn and publications, communicating technical issues in an easily understandable way;
- Assisting in the organisation of webinars, workshops, working groups and other CEWEP meetings;
- Attending meetings of the EU Institutions and relevant conferences and events and reporting back to the Managing Director;
- As well as other administrative tasks.

Knowledge, experience and skills required:

- University degree (majors in or related to European affairs, engineering, sustainability and energy fields – an advantage);
- Knowledge and interest in sustainable waste management, energy and climate topics;
- Knowledge and experience in EU policy (previous experience in Brussels office and/or EU Institutions – an advantage);
- Effective organisational skills, ability to easily switch between different tasks;
- Excellent verbal and written English. Other languages - an asset;
- Good computer skills (Microsoft Office suite);
- A quick learner, team spirit and autonomous. Excellent interpersonal communication skills;
- Interest in working in a small team in Brussels environment.

We offer:

- Interesting and varied work in a small, but effective team in a friendly working atmosphere;
- Possibility to learn and broaden your experience in multiple fields.
- Remuneration of 1500 EUR, in line with the allowance offered by the Bluebook traineeship of the European Commission.

To apply:

Qualified candidates should submit via e-mail a maximum one-page cover letter** and a short CV (in English) to Agnė Razgaitytė applications@cewep.eu by **Tuesday, 15th July 2025**.

Please mention in the title of your application “**Application Internship at CEWEP**”.

*The exact set of tasks will depend on the chosen candidate's profile and skills.

** AI-assisted motivation letter is OK but AI-written is not. Your motivation letter should still be personal and authentic.
